

Warranty Certificate

Water Treatment System Limited Warranty

The **WATER TREATMENT UNITS** assembled and installed by Mr. Water LLC are built from the finest industry components available. Each individual component used in the assembly of our equipment is covered by the original equipment manufacturer's warranty. We warranty our **WATER TREATMENT UNITS** and installation for a period of **ONE (1) YEAR** from the date of installation to the original purchaser to be free of defects in material and workmanship subject to the component manufacturers warranty and the conditions set forth below. We also warranty all equipment and repairs to existing **WATER TREATMENT SYSTEMS** and related **WATER SYSTEMS** for a period of **THIRTY (30) DAYS** from the date of installation to the original purchaser unless stated on the customers' receipt.

WARRANTY CONDITIONS

- (1) This warranty only covers water treatment units and other water systems installed for residential use.
- (2) Failure must not result from misuse, abuse, tampering, alteration, fire, lightning, power surges or neglect.
- (3) Water pressure must not exceed 100 p.s.i. and water temperature must not exceed 100 degrees Fahrenheit.
- (4) Under no circumstances shall Mr. Water LLC be liable for inconvenience, loss or damage to property, mold, loss of profits, loss of associated equipment and/or services, facilities or buildings, downtime, and any third parties.

Subject to the above terms and conditions, we will replace and/or repair, at our option, parts of the equipment found to be defective in materials or workmanship. No other guarantee or warranty, expressed or implied unless stated on the customers' receipt – is applicable to our products or services. No repair or replacement made under the terms of the warranty shall extend this warranty.
